# PFISTER HOTEL

ESTD MILWAUKEE 1893

Our main entrance, located at Jefferson Street, is currently under construction during the final stages of an exciting hotel renovation. Please enter the building from Mason Street, where valet will be stationed for your convenience. Alternatively, the Wisconsin Avenue entrance will also be accessible and serve as the primary entrance for any group transportation (arrival/dropoff) by bus, shuttle, trolley, etc. If parking in our covered structure, entrance via the parking garage elevators will remain unaffected.
